MESSAGE

It is Indeed our privilege to host TOSA MID TERM CME-2022 on “KNEE TRAUMA & PRESERVATION” conducted by “Siddipet Orthopaedic surgeons Association” (SOSA) At Siddipet On 16th October 2022.

In day-to-day practice, we encounter many complex knee trauma and arthritis in middle-aged patients which can be preserved without replacement. This CME aims to comprehensively cover principles of fixations of knee trauma and methods to preserve knee joints in moderately affected patients. Renowned faculty will take through their expertise in the preservation techniques that benefit middle -aged patients suffering from Osteoarthritis. Young Orthopaedic Surgeons and Postgraduates who form the future pillars of our Orthopaedic fraternity need to be well versed in addressing these problems around the knee. Orthopaedic Surgeons can also get a platform to exchange their experience and knowledge on various knee preservation methods from conservative to surgical and to the usage of Ortho biologicals.

SIDDIPET is the most happening place in Telangana. Siddipet Awarded as CLEAN CITY in South india in Swacha Bharath Mission. Siddipet is famous for Historical Monuments like Buruju, Lalkaman. Komati Chervu is a tributary of Manjeera River with Tankbund, Necklace road, Suspension bridge and Rock garden. Glow Garden and Boating, which gives a pleasant atmosphere and entertainment.
